FEES

NO CLASS FEE INCREASE FOR FALL: Academy class fees remain the same for the Fall 2010 season. Note that the performance troupe music theatre class fees now include the required dance class fee. We require that all music theatre students take one dance class of their choice.

DISCOUNT: There is a 10% discount when full semester class fees are paid for by the 10th of the first month of the semester. This does not apply to costume/performance or registration fees.

MONTHLY BASIS: Fees are on a monthly, not weekly basis. Some months will have a 4 week schedule. Other months will have extra "classes" or rehearsals. Fees are set with this in mind and to be consistent from month to month.

CREDIT CARDS: We accept Visa and Mastercard.

FAMILY REGISTRATION FEE: \$45 a year. An annual family registration fee is due in September or the first month of your enrollment. The fee is \$45 and covers all family members who enroll for classes that year. This pays for basic insurance at the Academy.

COMPLIMENTARY DANCE CLASS: Fees for the 1st and 2nd dance class are as noted. However, if you take a 3rd dance class it is complimentary (no fee). The only requirement is that you attend regularly (90% of the time). Students who only enroll in dance will receive their 4th dance class free of charge as well. We consider Ballet III two classes. This offer does not apply to our Zumba classes.

AGE OR GRADE DESIGNATIONS (A/G): The ages or grades noted below are only a suggestion. A student's level of ability is also taken into consideration.

COSTUME RENTAL & PERFORMANCE FEES. Costume rental and performance fees are paid per semester. Students with unpaid fees will not be able to perform in their respective recitals. Fees are non-refundable. Fees vary from class to class, which is a reflection of the number of performances and costumes used by this class over the semester.

MINIMUM ENROLLMENT: 4 students per class.

CLASS OFFERINGS: Classes in our Music Theatre program are noted immediately below, followed by our Dance Program.
